Title: Electrode Semiconductor Workpiece Holder and Processing Methods

DECLARATION FOR PATENT APPLICATION

As the below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated
below next to my name.

I believe I am an original, first and joint inventor of the subject
matter which is claimed and for which a patent is sought on the
invention entitled Electrode Semiconductor Workpiece Holder and
Processing Methods, the specification of which was filed on July 15, 1996
as United States Patent Application Serial Number 08/680,057.

I hereby state that I have reviewed and understand the contents
of the above-identified specification, including the claims, as amended by
any amendment referred to above.

I acknowledge the duty to disclose information which is material
to patentability as defined in 37 CFR §1.56.

I hereby claim foreign priority benefits under 35 U.S.C. §119(a)-(d)
or §365(b) of any foreign application(s) for patent or inventor's
certificate, or §365(a) of any PCT International application which
designated at least one country other than the United States, listed

1 below and have also identified below, any foreign application for patent
2 or inventor's certificate, or PCT International application having a filing
3 date before that of the application on which priority is claimed: None.

4 I hereby declare that all statements made herein of my own
5 knowledge are true and that all statements made on information and
6 belief are believed to be true; and further that these statements were
7 made with the knowledge that willful false statements and the like so
8 made are punishable by fine or imprisonment, or both, under
9 Section 1001 of Title 18 of the United States Code and that such willful
10 false statements may jeopardize the validity of the application or any
11 patent issued thereon.
